

The graph displays the number of publications over time from 2000 to 2010. The x-axis represents the year, and the y-axis represents the number of publications. Four data series are plotted: 'All Publications' (red circles), 'Publications in the field' (green triangles), 'Publications in the field' (blue triangles), and 'Publications in the field' (yellow triangles). The 'All Publications' series shows a steady increase from 2000 to 2004, followed by a sharp decline in 2005 and 2006, and then a significant peak in 2007. The 'Publications in the field' (green triangles) series also shows a sharp increase starting in 2003, peaking in 2004 and 2007, and then declining. The 'Publications in the field' (blue triangles) series remains consistently low throughout the period. The 'Publications in the field' (yellow triangles) series shows a peak in 2003 and then declines.

Year	All Publications	Publications in the field	Publications in the field	Publications in the field
2000	10	5	5	5
2001	10	5	5	5
2002	15	5	5	10
2003	30	5	5	25
2004	45	40	5	5
2005	5	5	5	5
2006	5	5	5	5
2007	50	45	5	5
2008	5	5	5	5
2009	5	5	5	5
2010	5	5	5	5
