

Figure 1: Publications per year. This line graph illustrates the annual number of publications from 2000 to 2010 for four different methods. The x-axis represents the year, and the y-axis represents the number of publications, ranging from 0 to 10. The Red series (circles) shows a significant peak in 2003. The Green series (solid circles) shows peaks in 2004 and 2007. The Orange series (open triangles) shows a steady increase from 2000 to 2003. The Blue series (open triangles) remains at zero throughout the period.
